

## **LAST MAN STANDING**

### **HOW TO PLAY**

1. It's simple, just pick the winner of one Premier League match each week. If your selection wins you progress to the next week, lose or draw and you're out.
2. Once a selection is made, you will not have the ability to change it.
3. You may not pick the same team to win more than once during the competition.
4. All selections must be received no later than 10pm on the night before the first match of the week.
5. Should you forget to make your selection in any week, you will automatically be assigned the first team that you have not selected in alphabetical order. Once a team is automatically selected, you will not have the ability to change the selection.
6. In the event that any match involving a team you have selected is postponed or cancelled for any reason, you will continue to the next round. However, that team will no longer be available for selection.
7. Should two or more participants remain standing and all are eliminated in the same week, the Last Man Standing prize will be distributed equally among them.
8. Rounds of fixtures may take place on weekends or mid-week, depending on available fixtures. Ashbourne Utd will decide which fixtures are included for each round.
